# **TCB FISHING CLUB TRIP BOOKING-IN INSTRUCTIONS**

**THE SECRETARY, DEBBIE GEORGE IS THE CLUB'S FISHING TRIP**

**CO-ORDINATOR.**

**Phone M 0437 242 171 OR EMAIL: [tcbfishingclub@bigpond.com](mailto:tcbfishingclub@bigpond.com).**

**Please refer to these instructions when booking in for a club fishing trip.**

The Club Secretary requires your contact details phone number, email and your boat registration number.

The Club Monthly Activity Sheet will also include **the Fishing Trip Booking-In Instructions.**

If you decide that you would like to go on a club fishing trip, wait until you receive the initial email from the Club Fishing Trips Co-Ordinator. This will normally be sent out about seven days prior to the trip and include the basic information for the trip.

When you respond to the initial trip email from the Co-Ordinator include the following:

1. The Boat registration and the names and contact numbers of all persons on board.
2. Whether you are willing to take passengers or want a lift yourself.

The day before the planned fishing day, the Co-Ordinator will send out a reminder email in the morning to confirm or postpone the trip. If you have already booked in, you don't need to do anything. At about 5pm, the Co-Ordinator will send out a final email containing a list of those members going on the trip including the name of the nominated Trip Leader.

**(If you decide that you want to go on the trip after you receive this email, contact the Club Secretary directly to book in).**

On the nominated day and time, you are required to be at the start point in plenty of time. Make sure you check in with the Trip Leader. Also let the Trip Leader know when you return from the trip.

If requested by the participants, a social will be held at the clubhouse after the trip.

## **Trip Leader**

One of the members taking part in the trip will be nominated as Trip Leader. His/her name will be given in the Trip List email as mentioned above. Make sure you log in with him/her at the start and end of the trip and also keep in regular contact during the trip. It is the Trip Leader's responsibility to contact the Club Co-Ordinator after the trip to confirm that everyone returned from the trip or if there were any problems. This can be done by phone, email or SMS.

**For those members with a marine radio the "Trip Chat Channel" is VHF Channel 77 and Coastguard may be contacted on VHF Channel 80.**

**Dated 29/11/2021**
